

SPECIAL APPEAL

KANYAWEGI UK UK Registered Charity no. 1106296

Kanyawegi UK has an urgent need to secure some more long term supporters and also some immediate cash funds to help support the lovely orphans under the care of the **Emmanuel Home for orphans in Kisumu, western Kenya.**

The charity is currently short of money and without a rapid influx of new funds we will have insufficient to send to Kenya for the Home to use each month.

For various reasons, the overall number of regular donors has diminished and therefore regular monthly giving is down and this also has had a negative effect on the amount of Gift Aid that we can reclaim from the UK government.

There is also the post-Brexit impact on exchange rates which means the value of each £ is at least 15% down against the Kenyan Shilling compared to the recent past.

Are you interested in becoming a supporter, or know someone that might be interested? Can you help with an immediate cash donation, or do you know anyone that might be willing to help?

If so, please visit our website for more details of this worthy cause and how to become a sponsor, or to make a cash donation –
